

CONSULTING & MANAGEMENT

MY EXPERTISE

Video Content: Our background in the entertainment industry allows us an in depth understanding of video- how to create engaging content, what equipment to use on different budgets, coach others on movement and how to be more comfortable on camera, and we have a great relationship with multiple production companies around the world.

Marketing/Design: With our extensive background in marketing we understand the Online trends, the importance of tailoring your content to the right target market and finding the right platforms or techniques we need to focus on to have the most effective impact.

- ✓ **We've worked for companies like:** Reebok, Intel, Insight, Hilton Grand Vacations, Local Restaurants, Aviation Schools, Online businesses, Coaches/Consultants and More!
